**PRELIMINARY / INTRODUCTION**

The purpose of this report is to provide a comprehensive overview of the project and its objectives. It is intended to serve as a guide for the reader and to provide a clear understanding of the scope and content of the report.

**OBJECTIVES**

The main objectives of this project are to investigate the effects of the independent variable on the dependent variable and to determine the relationship between the two variables.

**LITERATURE REVIEW**

A review of the literature in this field has been conducted to identify the current state of knowledge and to determine the gaps in the existing research.

**METHODS**

The research was conducted using a quantitative approach, involving the collection and analysis of numerical data.

**RESULTS**

The results of the study indicate that there is a significant relationship between the independent variable and the dependent variable.

**CONCLUSIONS**

In conclusion, the findings of this study suggest that the independent variable has a positive effect on the dependent variable.
