

The image shows a web application interface with a dark red background. At the top, there is a navigation bar with a logo on the left and a user profile on the right. Below the navigation bar, the main content area is divided into two sections. The left section contains a sidebar with a list of items, and the right section contains a table with five columns and four rows of data. The table has a header row with the following columns: "ID", "Name", "Status", "Created At", and "Updated At". The data rows contain the following information: Row 1: "1", "John Doe", "Active", "2023-01-01", "2023-01-01"; Row 2: "2", "Jane Smith", "Inactive", "2023-01-02", "2023-01-02"; Row 3: "3", "Bob Johnson", "Active", "2023-01-03", "2023-01-03"; Row 4: "4", "Alice Brown", "Inactive", "2023-01-04", "2023-01-04". Below the table, there is a form with several input fields and buttons. The form is used to create or update records in the table. The overall design is modern and professional, with a focus on data management.
